

Goda Bangla Embroidery

Anayetpur, Ashulia, Savar, Dhaka

Goda Bangla Embroidery

We are one of the leading manufacturers of customized Embroidered Patches, Badges, Emblems, Motifs, Appliqué, sequins An Direct Embroidery on fabric.

We uses only the finest quality materials and embroidery threads, we create your custom patches with three goals in mind: to represent your organization well, to provide long life and to enhance the appearance of the clothing they are sewn to. Lastly, we aim to provide you with true value by offering highest quality at the most affordable prices possible.

All embroidered patches are made with:

- the use of computerized machinery for exact precision.
- fade-resistant, polyester colour threads.
- a high-thread count, fine-twill backing for long-lasting quality.
- 100% machine washable, dry-clean safe materials.

We sincerely hope that we can develop & create a strong business relationship with you in the near future, **Goda Bangla** policy is YES WE CAN with 100% Promise in Superior quality, Excellent service and Competitive prices. We hope to hear from you today to start the process.

Goda Group was established in 1937.

We are one of the leading manufacturers of customized Embroidered Patches and Emblems.

Our Business is base on 90% of custom designs.

In 1985, we established our first factory in China, and now we have 4 factories and over 1000 highly skilled staff.

All factories' operation management is based on Japanese standard.

We are also the pioneer of the 3D embroidery called (Moko Moko) and the heat seal-transfer.

Goda bangla manufactures a complete line of all Embroidery merchandise with other New and Innovative products for our customers in the fashion industry, accessories and trimmings etc... Allowing us to make an impact in today's challenging and competitive market.
